

Bethel Family,

We wanted to create ways for you to continue being the Church even when we aren't meeting regularly together. One way we can do this is by loving on our neighbors and friends! If anything, we pray this is a time our neighbors, community and world will see the hope we have within us!

We encourage you to do this together as a family! Have your children write a card or draw a picture to go along with the Love Your Neighbor cards. You could also include a text that says something like this:

Hi neighbor!

Well, we're in interesting times with this whole COVID-19 situation, with lots of anxiety and fear in our community about where it's all headed. It's hard to tell what the next days, weeks and months have in store for us, but whatever the case, we think it's a good time to push into being good neighbors!

We don't have a whole lot stockpiled, but we may have something we can share with you if you're in a pinch. We'd also be happy to do a run to the store if you're finding it hard to get there yourself for any reason.

Anyway, if you do need something - or if you want to talk more about ways we can help each other - give us a call at _____. We're house _____.

Know that we're praying for you, this neighborhood, and our city as we go through this together.

Blessings,
